Studying Scripture is one of the most important ways we learn about God. White Bluff presents personal Bibles to each rising third grade student as a statement of their growing faith development and as recognition of their being old enough to study scripture on their own. We celebrate the tradition of presenting Bibles to our third grade students as a gift from the congregation. It is our prayer that this gift will be a starting point for a deeper Relationship with God. Each student will be enhanced through the study of God's word.

School will be starting soon. Our mission for July will be to help the teachers and students at White Bluff Elementary School and Windsor Forest Elementary School. Below you will find a list of items needed for this mission. A cart will be in Horton Hall for all donations.
