John 4:1-30
Priceless walks through the story of the Samaritan woman at the well and how Jesus interacts with her. This woman has been spiritually bullied by almost everyone in her life. She has a less-than-respectable history, and she expects that Jesus will treat her the same way other "religious" people have in the past. But Jesus looks deeper and responds, unlike anyone she's ever met. To Jesus, she's not a worthless sinner; she's priceless. The week will be about how we are all "priceless" in God's eyes. Campers will learn to cope with those who treat them differently, identify healthy differences, and understand that no matter what we are all created the way He wanted us to be.
